Payment

Payment is due on day of the party (cash or cheque). Cheques are to be made payable to 'The Oxford Entertainers'

No deposit is due on booking, however please note that in the event that the party is cancelled with less than 14 days notice, payment would be due in full.

Venue

We recommend booking your local village or community hall for your party as they generally provide sufficient space for all the activities we provide in our parties. The minimum size hall we would suggest is approximately 120m² as a guideline. During the summer months we are happy to provide outdoor parties in suitable sized gardens, however it is worth having a plan B in case of bad weather.

Disclaimer

Whilst the Showtime Party Team are pleased to provide help with the running of the party, the responsibility for child safety and protection still remains with the party organiser.
